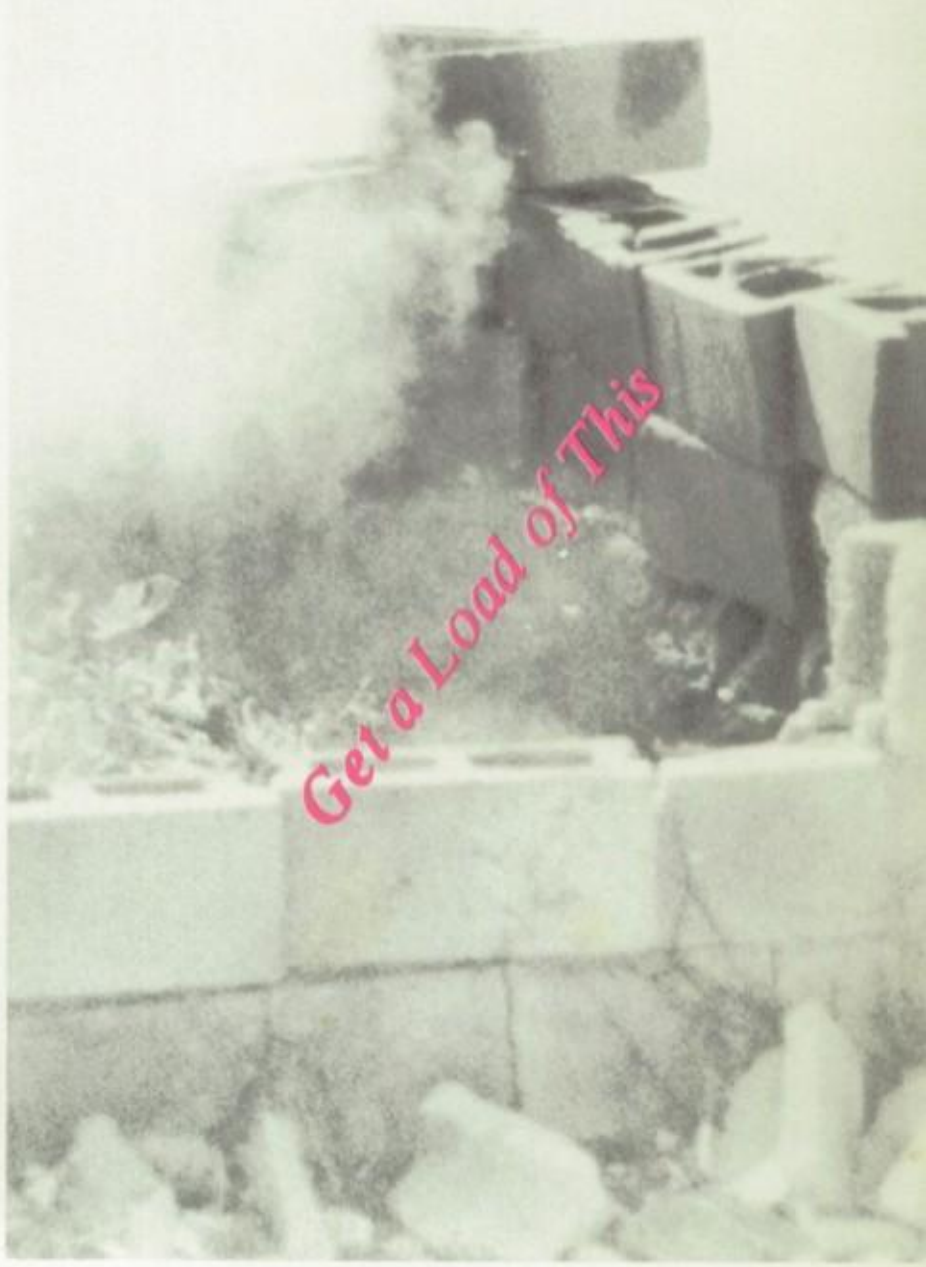
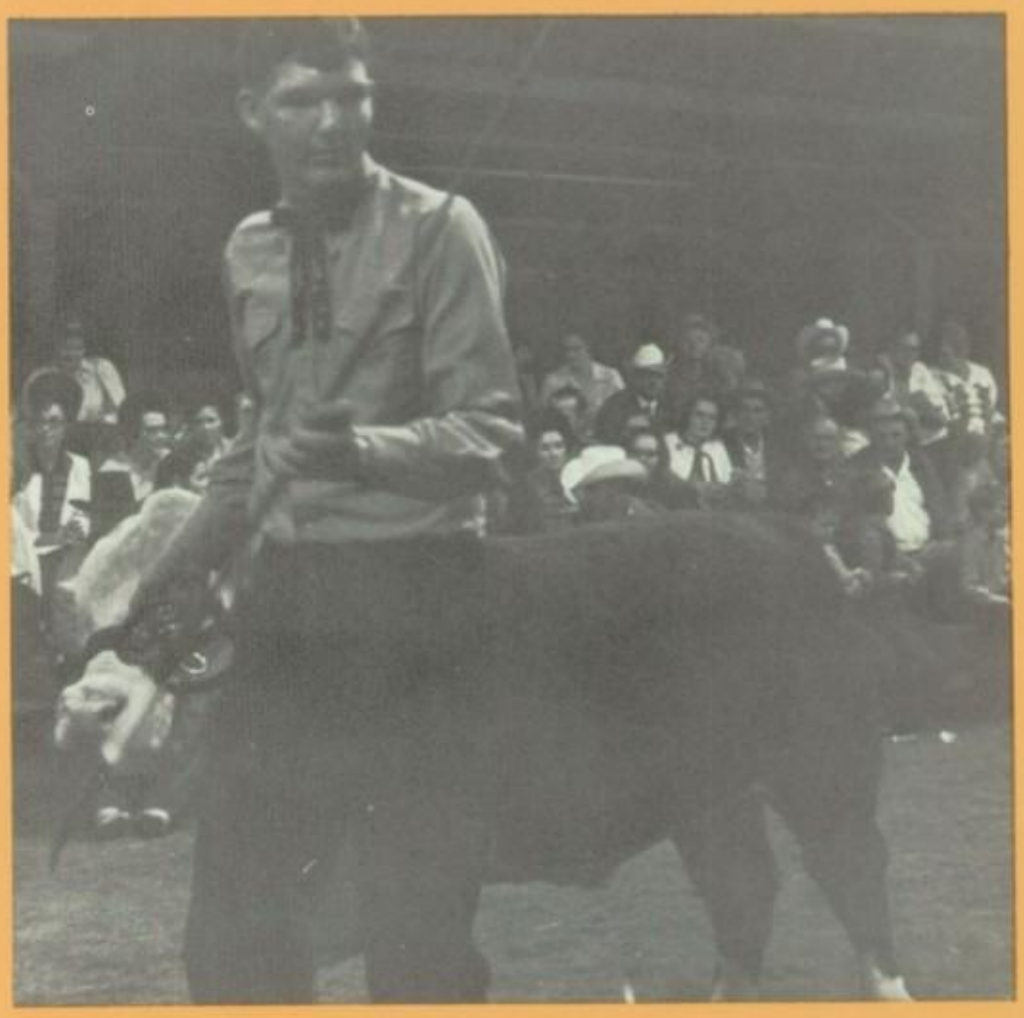
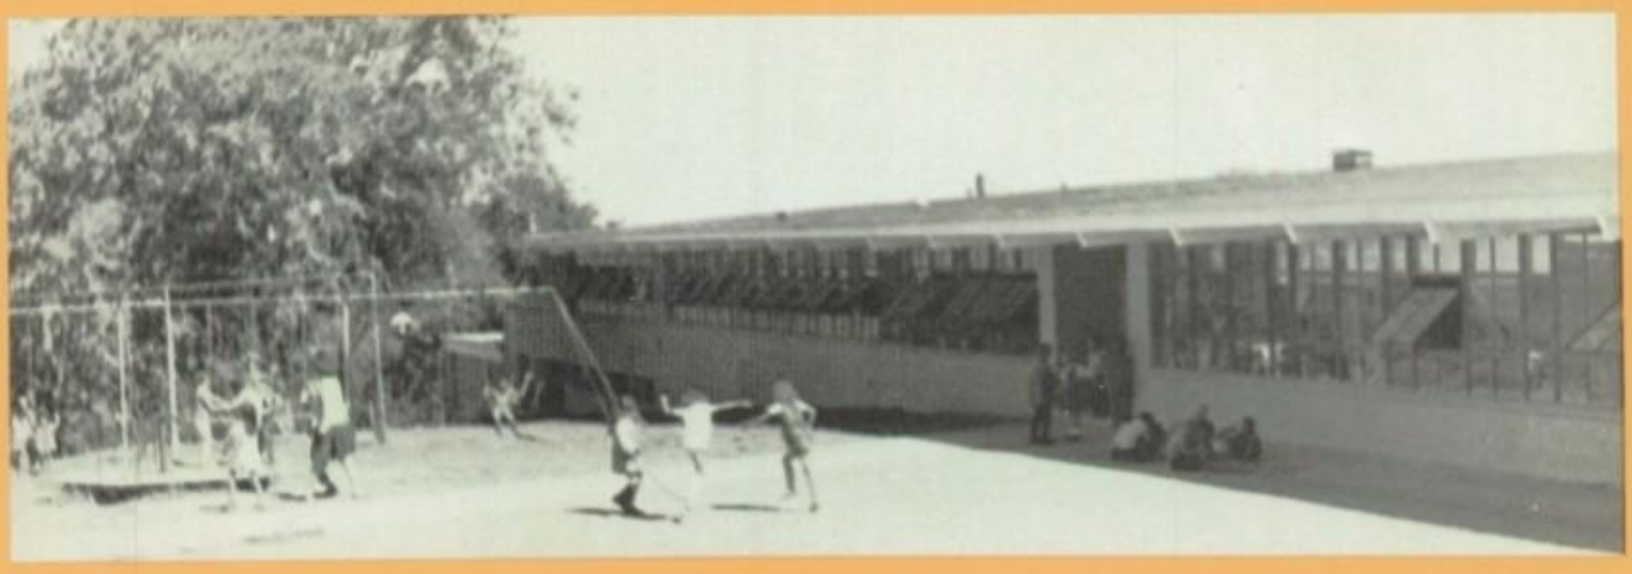
Locust Grove Public Schools
Locust Grove, Oklahoma
1972 Pirate



Locust Grove Public Schools- Population 1,203 situated on the outskirts of beautiful downtown Locust Grove—Where Fun Should Learning (?) Abide.

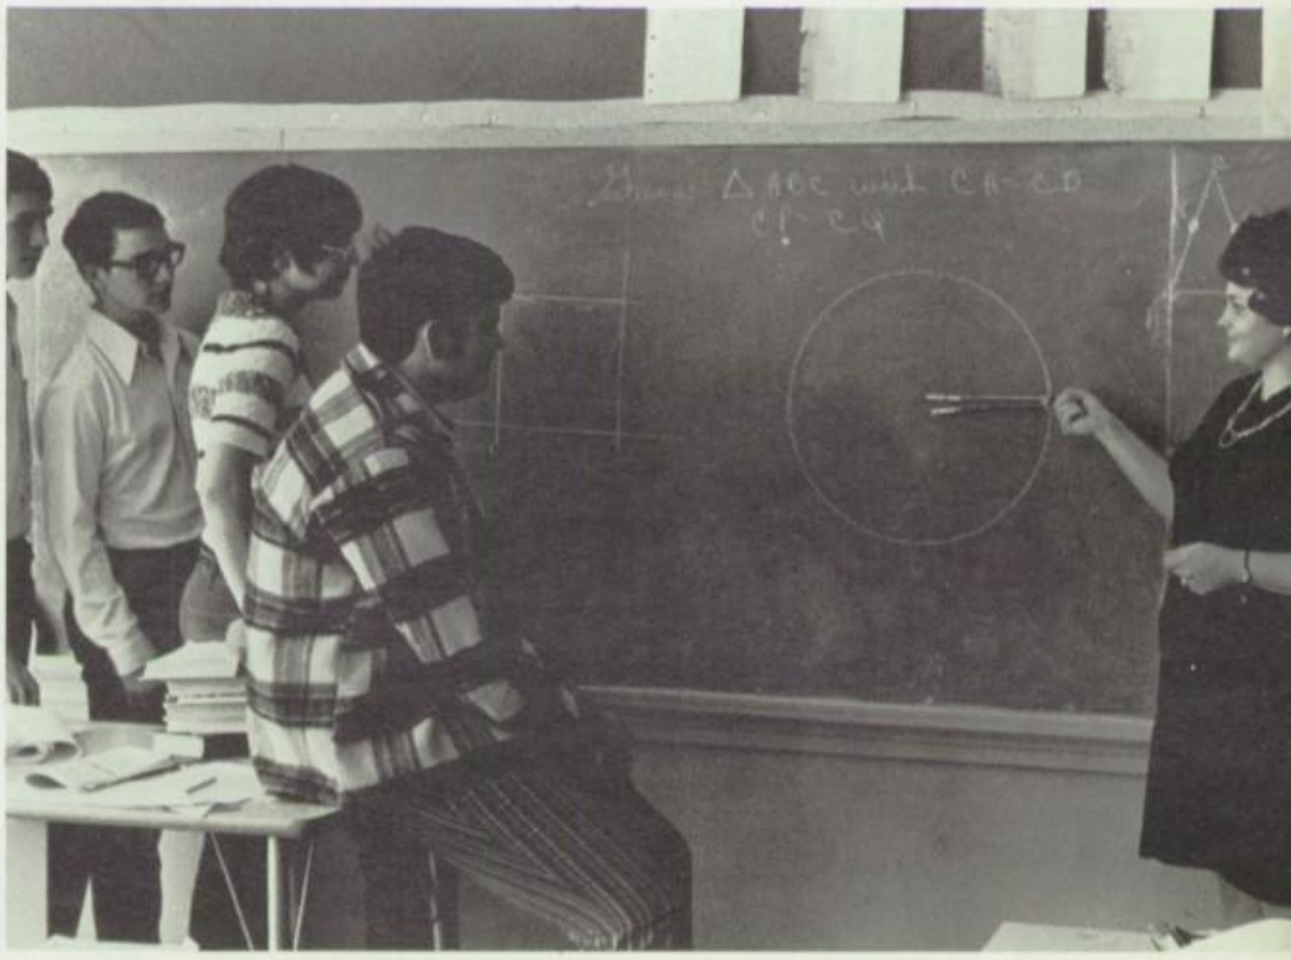




1972: FFA days of the Pig. 37 charming, well-built babies were entered by Locust Grove in the Mayes County Fair.

But the stars swept the County; Ears not important..

Someday: Attendance in all assemblies won't be mandatory and we won't have to go to detention hall just for being late. Will have a new school, new ideas, new dress code. There'll be adqvate funds for YEARBOOKS, workbooks, & teachers.
Grade cards won't be necessary and you can convince someone that a circle is really a square...



A day is coming when we won't sit around playing chess, dominoes, & checkers while there are real games to play. NO ONE will be afraid to stand up for what he believes, and the Student Council will have a say so in School matters.

A day will come when the football queen candidate won't

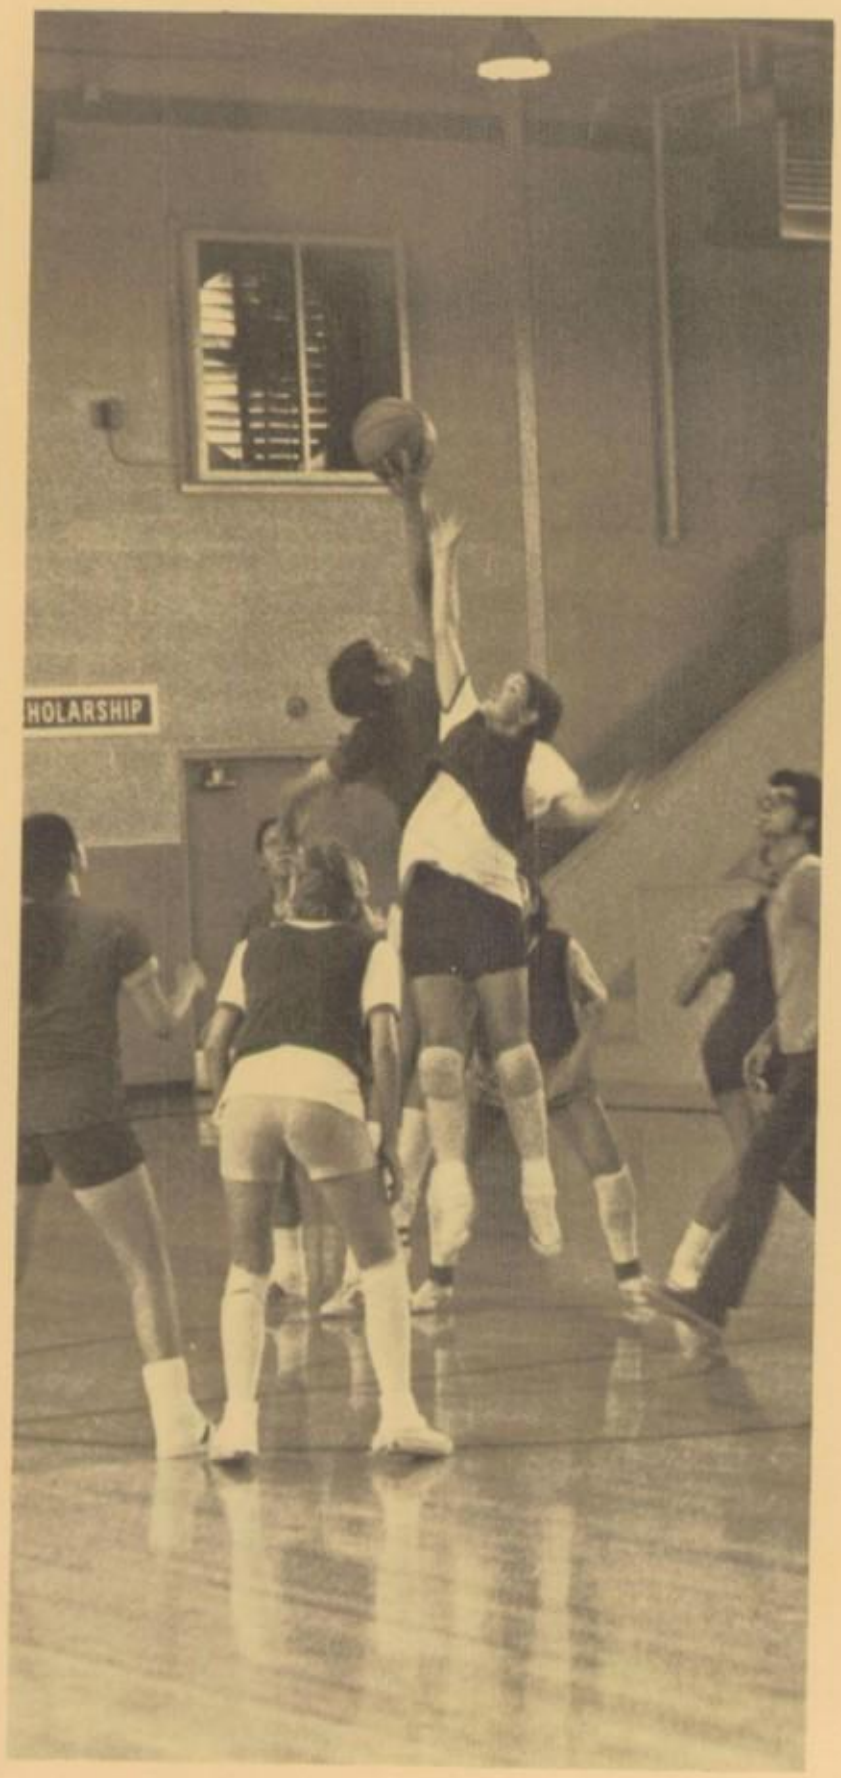
know who is queen until half time ceremonies; when the Senior class will be unified.

A day will evolve when girls, frogs, bugs, and mice will be compatable in Biology; Will have straight lines in band.. the football team will win all season games + your teacher will tell you this quiz is worth **1,000** points....

Someday we'll
be able to ride
around at noon,
All the typewriters
in typing room
will work and
Prayer will be
allowed for those
who wish to
pray. Boys won't
ride against girls
in class elections,
& DOUBLE BUBBLE
won't be stuck
under the desk.

When the basketball team goes to state and WINS state, there will be no timed writings in typing, and we won't be just another face in the crowd.....

Besides Potatoe chips, Pop, Candy, And popcorn students will discover that even meals in the Lunchroom have a LITTLE protein.



Someday Seniors will be allowed to put shaving cream in Freshman's hair on initiation day, When we won't need a piece of Pink paper just to walk down the hall, & what you **Are** will matter more than what you **WEAR**...

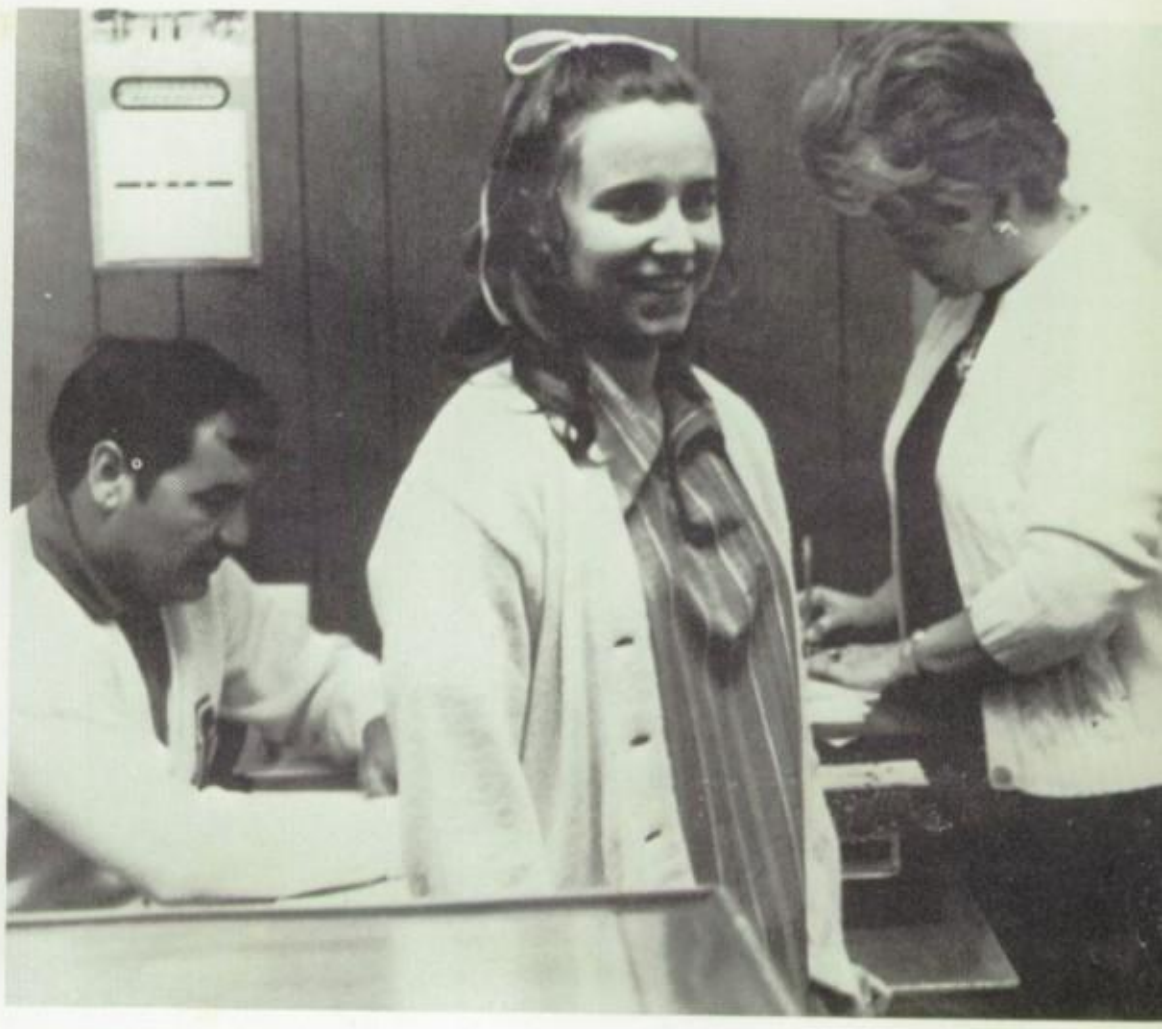
Senior Girls Become Office Workers

The cameraman takes Barbara Bates by surprise while making her daily rounds.

Loafing around as usual, Brenda Hinkle tries to make everyone (including Mr. Potts) think she is working.



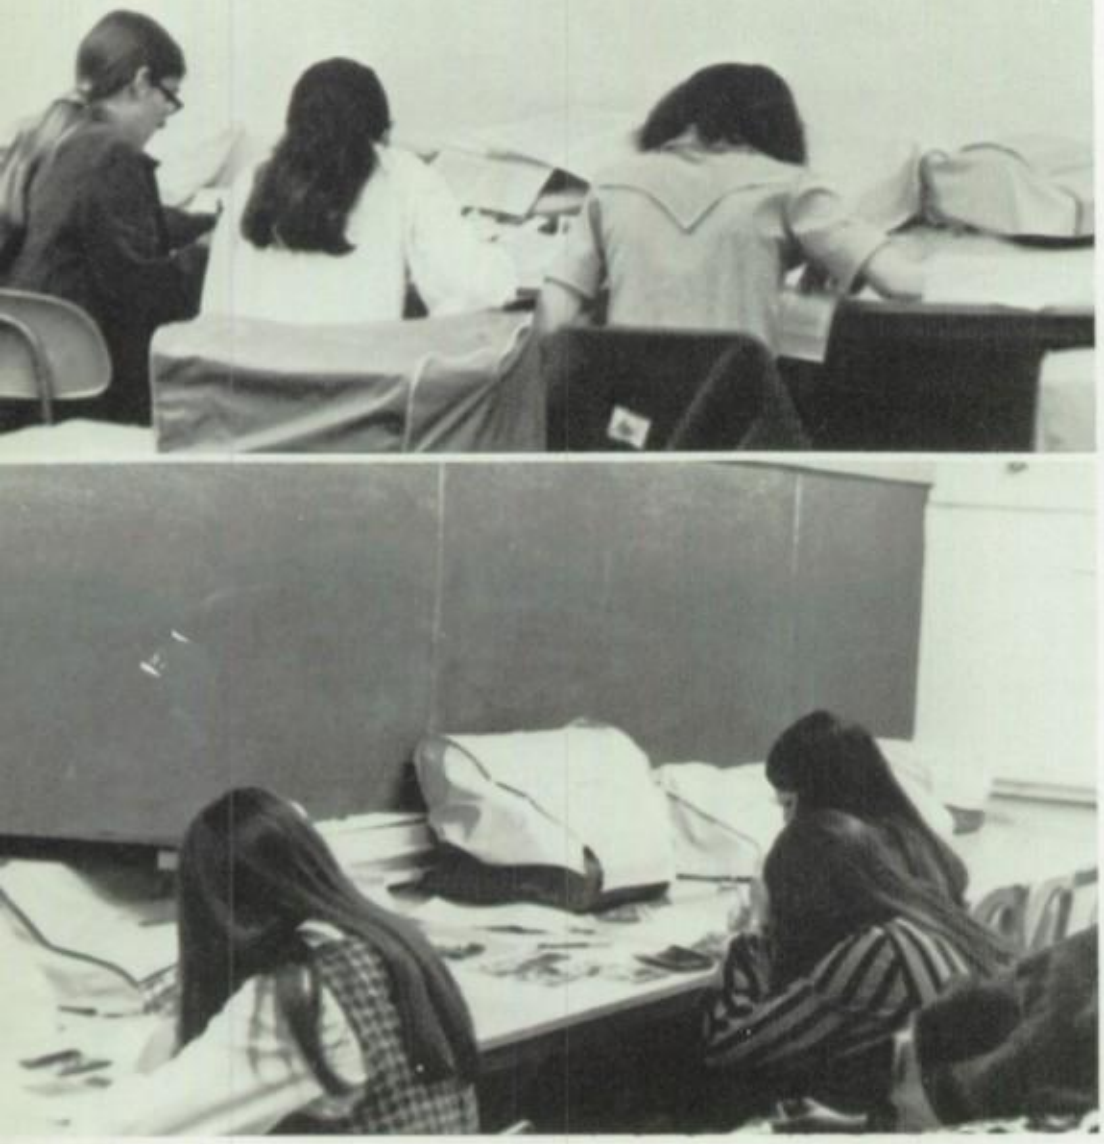
Annual Staff Works to Meet Deadlines

Locust Grove's yearbook continued it's improving ways in the fall by organizing a different presentation. The 1972 staff, consisting of Pigeon Rogers, Susan Wheeler, Jodie Monk, Janet McCuistion, Joy Condit, Kathy McFarland, Judy Cowan, Donna Baker, Arlene Satterfield, Dearl Cunningham, Wendell Wolf, Howard Gwartney, and Mrs. Carol Self-Sponsor, have endeavored to create a colorful and exciting yearbook with a variety of faces and places.

Creating page layouts, writing copy and cutlines, scheduling and taking pictures and the many other innumerable tasks that help meet deadlines and complete a yearbook were high priorities for the editors, Pigeon Rogers, and Susan Wheeler, and their staff this year.

After a 192-pages and many hours of work, the 1972 Pirate is now in the hands of the people it is all about. It was worth each hour to capture those moments at Locust Grove, which will be remembered in the years to come.

We, the 1972 PIRATE STAFF, only hope you too, have warm and happy memories.



(TOP) Jodie Monk, Janet McCuistion, and Kathy McFarland spend most of their time drawing layouts for the 192-page PIRATE. (ABOVE) Susan Wheeler, Pigeon Rogers, and Joyce Condit study pictures in hopes of identifying them for publication.

Yearbook Staff members for 1972 are (STANDING, 1-R) Donna Baker, Joyce Condit, Janet McCuiston, Dearl Cunningham, Kathy McFarland, Howard Gwartney, (SEATED) Jodie Monk, Judy Cowan, Pigeon Rogers, Susan Wheeler, and Arlene Satterfield. Applying make-up for the junior play cast takes a lot of time, as Mrs. Mangrum-sponsor demonstrates.

Proud of their new identities, Dawn Dreadfulwater and Iva Cates show off for all concerned.

Recovering from a cold, Susan Coger and Marian Kern soak their feet in hot water.

Fannie Jane, Nessy Hill, goes on a sit-down strike as the city folk go back to the East.

Everyone looks on after a fainting spell by Melissa, Debbie Young, the city girl who's looking for a man she fell in love with through letter writing.

In preparation for next year's football season, the freshman boys work out on the weight-lifting machine.

David Ryan and Johnny Fleming box to improve coordination.

Harris carries the ball around left end as the Vinita defenders close in.

No. 70, conference defensive lineman from Vinita, goes in to assist on a tackle, stopping a Locust Grove back from getting necessary yardage.

Under head coach Glen Lang and assistants Bob Alderson and Mike Minick, the 1971 Pirates faced a strong group of conference foes -- Wagoner, Vinita, Nowata, Catoosa, Stilwell, and Jay. The mounting excitement of the football season payed off, as the Locust Grove team improved their 1970 record of 0 - 9 to 2 wins and 7 losses for 1971.

With the multiple offensive system of Coach Lang, the Pirates were able to obtain a much more consistent leadership of the eight seniors on the squad. Locust Grove was at any time capable of playing excellent ball. This was, perhaps, proven the best when the Pirates upset heavily-favored Catoosa on Homecoming, for the highlight of the season.

Ft. Gibson's stalwant defense constantly gave the offense fine field position, but the Tigers could only eke out an 8-0 victory over Locust Grove in the season opener for both teams.

A 4-yard scamper around right end in the waning moments of the third period by Ricky Kirkhart was all the scoring that was needed to assure the Tigers of a victory. Kirkhart added the 2-point conversion on the option play.

Locust Grove, led by the hard running of senior halfback Alvin Harris, had hopes of ending a 10-game losing streak. However, the inability to take advantage of Ft. Gibson errors and an inconsistent offensive attack prevented the Pirates from providing the home crowd with a win.

(RIGHT) Arlene Satterfield and Lewis Coverdell urge flower girl, Joy Fretland, and crown bearer, Ron Cunningham, onto the field.

The Pirate defense, headed up by Bert Wallace's fine pass coverage, performed in fine fashion.

Playing before the home crowd, the Locust Grove Pirates ended an 11-game losing streak at the expense of the Kansas Comets, by a verdict of 12-0 in a wet, slippery ball game. The game was marred throughout with major penalties and errant ball-handling.

The first touchdown for the Pirates was set up on a fine interception by junior linebacker Tandy Cooper, who grabbed the ball at the Kansas 28 and returned it to the eight. Bert Wallace took it in from there on a sweep around left-end. The attempted kick for P.A.T. was wide.

The remainder of the first half was pretty much a stalemate until Kansas mishandled a pitchout on their own 48-yard line. An alert David Cowan picked up the loose ball and had clear sailing into the end zone for the insurance touchdown with time nearly out in the half. The conversion attempt once again failed.

The entire second-half saw major penalties nullify any hopes of a scoring drive for either team. The closest scoring opportunity was a drive by Kansas to the Locust Grove 10-yard line that was halfed when the clock ran out.

Bert Wallace led the defensive heroics for Locust by making 14 unassisted and 4 assisted tackles from his defensive safety position.

The Wagoner Bulldogs showed why they are the coaches pre-season pick to win the 2A-6 conference race, by thomping Locust before the Pirate home fans. The final score read 29-0.

Wagoner's stalwart defense, long bombs by the Bulldog offense, and costly errors by Locust provided Wagoner with their 2nd victory of the season to go with two losses.

The first offensive series of the game saw Wagoner completing a tricky half-back pass for the first tally. The first quarter continued to be very productive for the Bulldogs as they surmounted a 20-point lead.

The only bright spot for Locust Grove was the outstanding defensive play of safety Bert Wallace, who on numerous occasions made unassisted tackles at the line of scrimmage.

Running the "Wishbone-Triple Option" with fine efficiency enabled the Vinita Hornets to stop the Locust Grove Pirates 35-8 before the Vinita home-coming crowd.

After a scoreless first quarter the Hornets gathered an amazingly quick 27 points in the second stanza. Two of the scores came on long bomb pass plays in which the speedy Vinita receivers were well behind the secondary of the Pirates. A picked-up fumble taken into the Locust Grove end-zone from ten yards out provided another easy TD for Vinita, and the Hornets mustered a sustanied drive for the other tally.

The second half action saw a stand-off as each team scored only once. Neither offense could really jell in the letter stages of the contest.

Locust Grove's Pirates had aspirations of upsetting Nowata's homecoming, and it appeared such would be the case--at least for the first half.

The Pirates inspired defense came up with crucial plays several times to keep the Ironmen scoreless the first two quarters. Defensive guard Mike Teague made fine tackles at the line of scrimmage on numerous occasions, but the inabliity of the Locust Grove offense to move with consistency was the decisive factor in the outcome of the game.

Pirates Score 3 TD's Against Stilwell

Alvin Harris scored the Pirates only touchdown after quarterback Dearl Cunningham had set it up with two runs totaling 50 yards. The final score read 22-6.

It was a sweet homecoming for the Pirates as they upset heavily favored Catoosa, 12-8, in a conference match, marring Catoosa's previously perfect conference mark.

Locust Grove put the first points on the board midway in the first quarter when senior halfback Alvin Harris went over from the 2-yard line after a 40-yard drive had set up the score.

Timely interceptions by Eddie Walling, David Cowan, and Bert Wallace got the Pirates out of desperate jam. The deciding factor came when Harris picked up a Catoosa fumble at the Locust 9, turned on the speed, and sent into the end zone untouched for the go-ahead touchdown.

Tenth rated Coweta almost scored at will in the seventh game of the season, at times with the aid of major penalties. Coweta's awesome ground game relentlessly wore down the smaller, but "never-say-die", defense of Locust.

The Pirates lost a 47-20 high scoring conference affair at the hands of the Stilwell Indians. Locust's three scores came on a 15-yard interception by Lewis Coverdell, a pass-lateral for 75 yards from Dearl Cunningham to end Tandy Cooper to halfback Eddie Walling, and a 10-yard pass from quarterback Cunningham to Lewis Coverdell.

Ending the season with a disappointing 26-6 loss to Jay, the Pirates finished with a 2-7 record in the first rebuilding season of Coach Glen Lang. Locust Grove's only score in the Jay game was an 11-yard pass from quarterback Cunningham to Coverdell.

Jeff Henson, leading scorer and leading rusher for the undefeated 7th & 8th grade, prepares to kick off into the end-zone against Wagoner.

Pirates Struggle in Rebuilding Season

After heavy graduation losses, the Locust Grove Pirates struggled through a rebuilding season. The Pirates of Coach Johnny Allen closed the regular season with a 6-14 record. Coach Allen's five-year total record, at press time, at Locust Grove increased to 79-37.

Gaining control from the opening tip-off, the 1971-72 edition of the Pirates basketball team crunched the Kansas Comets, 50-39, in the season road opener, Nov. 30.

It was a see-saw battle, but the Pirates kept control, having to score from way outside. The Pirate press proved to be effective as they took the lead by 1, 12-11, in the 1st.

Through the 2nd period, both teams showed momentum and scored equally well. Though Kansas got the easier shots, they still trailed at half by 5, 25-20.

The Comets took the lead early in the 4th period but did not hold it long when the Pirates came out of their shooting slump at midway, 30-29. Fouling was consistent in the final minutes, but the Pirates were more accurate at the line. Final statistics showed Harris, Weaver, and Nichols in double figures, 19, 11, 16.

With confidence high after defeating Kansas, the Pirates met Westville on the Bulldogs home court, but went down to defeat by only a 2-point margin, 32-34. Harris was high-man with 12.

The Pirates dropped the third game of the season to extremely tough Muldrow, 38-82. Harris and Nichols showed good form in scoring 12 and 15 points.

Locust Grove ventured to Tulsa for the Nathan Hale Invitational Tournament No. 6-10 for its next 2 games. The Pirates managed to score only 40 points against a highly impressive Cascia Hall team, and moved to the losers bracket to be defeated by the Wynona Roadrunners 34-65, Harris again high with 12.

In the opening game of the Bixby Tournament, Jan. 3, Locust Grove fell to Beggs, 43-73. Teague and Nichols with 10 and 10 led Pirate scoring.

Jan. 5 found the Pirates defeating Oktaha, 47-45, in the losers bracket of the tournament. It was close all the way, with Oktaha ahead 12-6 at the end of the first, Locust on top 21-20 at the half, a 35-35 tie in the 3rd, and Locust out in front in the closing moments of the game. Harris and Nichols were sharp as they collected 16 and 12.

The Pirates include: (back row, 1-r) Mike Teague, Dale Simpson, Phillip Stokes, Lewis Coverdell, Robert McCartney, Gene Ross, Greg Weaver, Larry Cobler, Tandy Cooper, Coach Johnny Allen, (Kneeling, 1-r) Kim Roach, Charles Nichols, and Randy Stamper.

L.G. Keeps Spirit After 4-16 Season

The finals of the losers bracket brought Locust Grove against Haskell, Jan. 7. Much to their regret, the Pirates fell to a strong Haskell team, 52-68. Harris, Nichols, and Stokes contributed 12, 19, and 15.

While the Bixby Tourney was in progress, the Pirates managed to squeeze in a road game against highly rated Checotah. Coach Dixon's Wildcats mangled Locust 70-34 by stressing their defensive powers. Stokes and Harris were high with only 12 & 10.

Locust Grove faced Chouteau Jan. 15 trying to increase their yearly winnings over the rival team. The Wildcats stopped the streak of yearly wins by defeating the Pirates 43-25.

The word was that there would be no real contest, but the Locust Grove Pirates proved Salina wrong by stomping the Wildcats 72-53. Harris, Nichols, Weaver, and Stokes led the scoring barrage with 21, 18, 12, and 11.

It was a close battle all the way, but Sperry came out on top of the Locust Grove Pirates, 50-46. The balanced Pirate Scoring found Nichols with 18, Harris with 15, and Weaver with 10.

Checotah invaded Locust Jan. 31 and dropped 71 points in the basket to continue their winning spree. The Pirates rallied to 46 points, closing in the margin of the last contest. Harris, Weaver, Cooper, and Nichols popped in 13, 10, 10, & 9 to lead the Pirate scoring.

Locust Grove came from behind and tied it 28-all in the third quarter, then advanced to a 40-36 win over the Kansas Comets Feb. 1 Nichols and Weaver hauled in 14 and 13 for a second victory over Kansas this season.

Excitement hovered over the Chouteau gym during the see-saw battle that found the Wildcats on top 14-13 going into the 2nd, Locust ahead 32-31 at the half; the score tied at 44 at the beginning of the fourth, and Chouteau winning by only 3, 63-66.

There were steals and fouls, hits and misses, but two evenly matched teams saw action.

Scoring leaders for the Pirates were Weaver, Nichols, Harris, and Stokes contributing 16, 15, 15, and 10.

The Pirates fell to Morris Feb. 8, 50-63, at Morris. The Eagles took advantage of the Pirate's first quarter cold shooting to mount a 16-7 lead with three quarters remaining.

Morris led 31-21 at halftime before the Pirates deliberate plays pulled them within 6, 38-44, of the Eagles. The Eagles moved ahead in the 4th for a 63-50 win. Nichols and Stokes had 10 each and Harris, Weaver, and McCartney had 8, 8, and 7 as scoring leaders.

With only 40 second remaining, the Pirates had a 7 point lead on the Wildcats; but, the Salina team made a remarkable recovery, taking Locust Grove 51-47. Harris and Weaver led scoring in double figures with 13 and 12.

The Muldrow Bulldogs had little trouble with Locust Grove and posted a 71-38 victory Feb. 12 in a homecoming game at Muldrow.

Locust played it tight in the 1st quarter, 14-17, but the Bulldogs moved ahead 37-25 at intermission, and 29-58 going into the 4th.

Sperry controlled the ball at the tip-off and scored the first point on a free throw. At the close of the 1st quarter Sperry was ahead by 3 points. In the 2nd quarter it was Locust Grove by 5. Locust Grove held their lead throughout the second half by shaking their opponent with their fast break.

The Locust Grove Pirates had a very happy Valentine's Day after the 12 point victory over Sperry. Final score was 68-56.

The Locust Grove "slave drivers closed out regular season play with a 58-51 win over Westville. Westville's only lead was at the beginning of the first period, ahead by 1 point from a free throw. The Pirates out ran Westville and proved the Locust Grove fast break an important part of the game plan.

In scoring, Nichols led with 17, Harris with 15, Stamper with 10, and Weaver and Stokes with 8 each.

Continuing to produce an outstanding girl's basketball team, Coach Johnny Allen upped his total winnings for his 5 years at LGHS to 89 and led his 1971-72 team to a 16-6 regular season record going into District play.

Coach Allen returned 9 lettermen, 2 starters from the 1970-71 team that rolled to a 26-3 record and a place on the bracket for the state girl's basketball tournament, in which only the top 8 class 2A teams can be entered.

Locust Grove's Pirate-ettes opened the regular 1971-72 season with a 39-16 victory over the Kansas Comets. Although both teams made many mistakes, fouling among the chiefest, the Pirates took the lead 8-5 in the 1st and 10-8 at the close of the half.

Late in the 3rd, the Pirates got the ball rolling and added 29 to their point parade. Hanna tallied 20 to lead the scoring.

Locust Grove jumped to a 26-4 lead against Westville Dec. 3, and moved to a 34-14 halftime lead. Locust climbed to 50 points going into the final quarter, and went on to win 68-35. Hanna, Ballou, Condit, and Bryant scored 20, 18, 12, and 12.

The Pirates beat a fine Muldrow team 40-42 Dec. 4, and saw Dianna Hanna tip in 30 to lead in scoring.

In the first round of the Nathan Hale Invitational Tournament in Tulsa, Locust Grove stopped Inola, 40-34, as Hanna canned 17, and Henson and Ballou hit 13 and 10. In the second game, Locust Grove defeated Owasso, 37-25. Hanna, Henson, and Condit scored 18, 11, and 6 against the Rams.

Muldrow jumped to a 16-19 halftime lead against the Pirates in the finals, but the Pirates move to a 26-24 third quarter lead. Locust rallied 7 points in the fourth, but the Bulldogs went on to win, 33-35, and the Pirates had to settle for a second place trophy.

Locust Grove extended its record to 6-1 at Bixby by defeating Jenks, 58-48, Jan. 3, and moved into the second round of the Bixby Invitational Tournament.

Girls Post 16-6 in Tough Season Play

Locust Grove faced a fine Checotah team Jan. 4, losing 42-61, during the slump of the season. Henson led the Pirate scoring with 16.

Coach Johnny Allen recorded his 81st career victory in 5 seasons as the Pirates niped Sperry, 62-30, Jan. 25. A strong 11 - point first quarter lead sent Locust ahead all the way, as Hanna and Henson scored in double figures with 23 and 20.

Pirates Double Eagle Score

Ballou, Hanna, and Henson scored 13, 11, and 11 to push Locust Grove past the Morris Eagles, 45-26, Jan. 29. The Pirates doubled the Eagles score in the third and fourth quarters, for the lopsided victory.

With Locust Grove ahead in the first quarter, 10-3, and a 19-19 tie at the half, the Pirates thought themselves on to a victory; but, a combination of Checotah's outstanding offense and defense held the Pirates to only 17 points in the second half, and left Locust with a 6-point deficit, 36-42. Hanna led the Pirate scoring with 14, with Henson and Ballou having 11 each.

Kansas fell to the Pirates Feb. 1, 43-30, in a slow moving, low scoring contest. Only 7 points were scored in the first quarter, and Locust Grove took the lead 16-6 at the half and 27-23 at the end of the third. Hanna again led the scoring with 14.

Moving to Chouteau to outshoot the Wildcats, Feb. 5, Locust Grove kept its winning streak alive, ripping the Wildcats, 64-44. Leading 40-21 at halftime, the Priates went on to win its 12th game against 7 losses. Hanna and Ballou captured scoring honors with 28 and 22 points.

(TOP) As Marilyn Henson takes an outside shot, Joyce Condit and Dianna Hanna go for the rebound. (LOWER) With help from Pearl Watkins, Connie Watkins crams a shot from behind on the Sperry Pirates.

Pirate-ettes

Next the female Pirates overran Morris 45-27. The game got off with a slow start, neither team scoring well.

The Pirates came back the second half and scored 27 points to the Eagles 10. Henson led with 20, Hanna with 11, Bryant with 6, Condit and Ballou both with 3.

The Pirate-ettes triumphed over Salina 53-24. Locust Grove actually aided Salina in making one-third of their points --- eight of Salina's points resulted from fouling by the Pirates. The rash of scoring was headed by Hanna and Henson with 18 and 16.

In what seemed to be a crucial game, the Pirates trailed from the 1st quarter, 6-9, to suffer the 6th and final loss of the regular season play, 36-44, from Muldrow. Hanna scored 18 against the Bulldogs, followed by Ballou and Henson with 10 and 6.

The Locust Grove Pirates met the Sperry Pirates on their home court February 14.

The girls, having beaten Sperry at Sperry, looked for an easy victory. Although in the first half it appeared that Locust would have a tough time, they came out of it with a 5-point lead, 28-23, at intermission.

Dianna Hanna sacked in 33 points for Locust Grove, Ballou - 10, Henson - 9, Bryant - 4, and Dreadfulwater - 1.

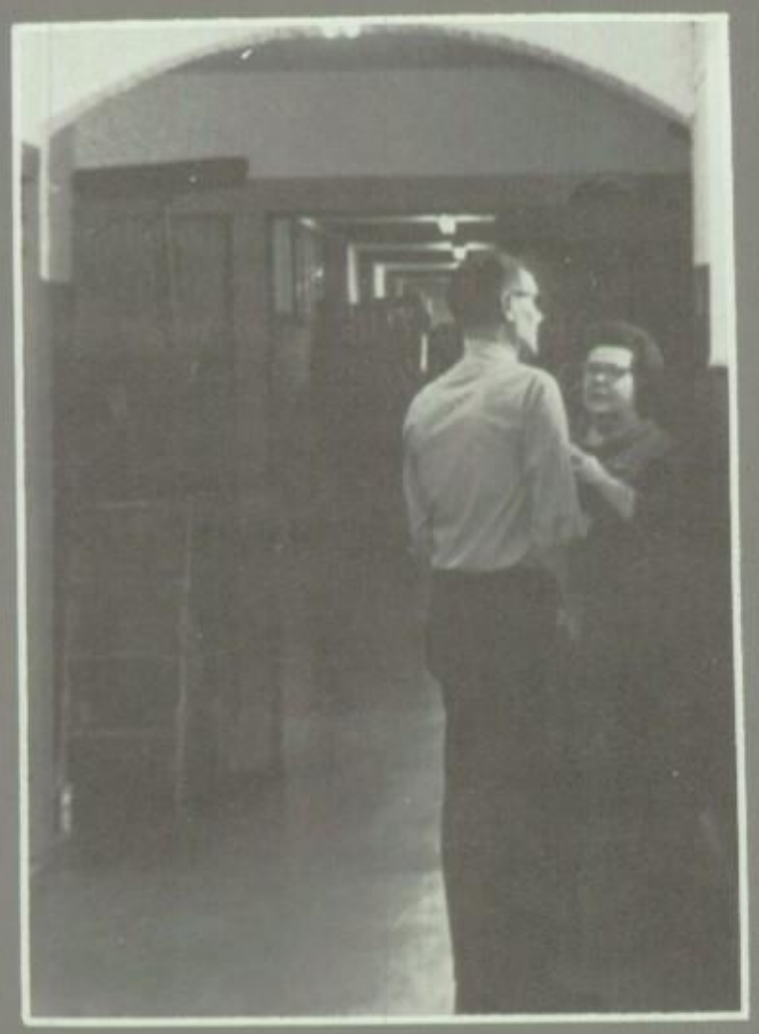
DIRECTION



Much work has been done in making this the largest Treasure Chest ever. I congratulate the Annual Staff and Sponsor for this fine achievement.

It has been recognized that the school is one of the greatest assets in any community. We are living in a changing and challenging period. Students, parents and teachers must accept their responsibility toward making the school and community a better place to work and live. It will only be through understanding, cooperation and strict self discipline that this can be achieved.
